

MOGITO

Mojito

The Mojito is a delicious and refreshing rum-based cocktail often associated with summer.

This classic cocktail mixes fresh mint, white rum, sugar, zesty lime and cooling soda water. Add a few raspberries or strawberries for an iCatCare pink.

Moggies & mojitos

The mojito is said to have been a favourite of the author Ernest Hemingway, who was also a cat enthusiast. He is famously quoted as saying:

"A cat has absolute emotional honesty: human beings, for one reason or another, may hide their feelings, but a cat does not."

MOGITO

Mojito

Ingredients

Serves 1

- 60ml white rum
- 3-4 raspberries
- Juice of 1 lime
- 1 tsp granulated sugar
- Small handful of mint leaves
- Soda water, to taste

Method

- Muddle the lime juice, sugar, mint leaves and raspberries in a small jug, crushing the mint as you go – you can use the end of a rolling pin for this. Pour into a tall glass and add a handful of ice.
- Pour over the rum, stirring with a long-handled spoon. Top up with soda water, garnish with mint and serve.

Alcohol-free version: replace the rum with lemonade or limeade.
