(All timings are GMT and are rough approximations)

---

**Instructions for the day**  
**10am Saturday 5<sup>th</sup> December 2020**

On the day you can join us at 10am GMT right here on our Unowned Cats main page! (<https://icatcare.org/unowned-cats/>)

Here you will find an embedded video where you can watch the entire event right from the comfort of your own home!

- Simply go to the Unowned Cats homepage - or go back to it from here <https://icatcare.org/unowned-cats/>
- Scroll down until you find the video and click play! The video will appear when the launch is commencing.
- When you have finished watching the day's content there will be a chance to ask questions to Vicky Halls and Kim Horsford, live! The pair of feline experts will actively see the questions that you have and will be able to answer them right then and there! Don't be shy, ask them what you want to know!
- To ask your questions, simply click onto the live video on our website and ensure that you have now been relocated to YouTube. Here you can post your questions in the comments section below their live video on YouTube. Sadly, you cannot ask them questions directly on our website, but once you are watching the live video you can type in your questions to be answered in real time!

We hope you enjoy the day! If you have any questions, please do email the team and we will help where we can - [communications@icatcare.org](mailto:communications@icatcare.org)
