□ I would like to make a donation to iCatCare £..........................

As a charity, International Cat Care, the parent body of ISFM, is 100% reliant on generous contributions made by cat-loving individuals and organisations.
The need to fight against disease, and to learn more about the physical and mental needs of our feline patients, is ongoing and with your help we can continue to make a difference. This support is vital to us and allows iCatCare to go on significantly improving the health and welfare of cats.
